LAW 'N' ORDER PIGEONS IN SASKATCHEWAN

You're a good-for-nothing wannabe gangsta snitch who'd roll over on his own grandma to escape the prison sentence you so richly deserve.

You'll sell drugs for me, or do whatever else I tell you do.
Understand, you piece of shit ?

derp!

POLICE

STOOL

How can I fool people into believing I'm a respectable member of society who just happens to also sell marijuana?

Easy...tell them that you *served in the army* instead of admitting that you were really a jailbird who fellatio-ed and snitched on his fellow prisoners. Tell 'em you got *honorably discharged* after 5 years.

derp!

POLICE

STOOL

Practise makes perfect, especially when it comes to fabricating the truth.

derp!

We'll supply you with drugs that we filch from the evidence locker. You keep 10% as your cut and we get 90%. Fair enough?

I ought to wring your neck,
you stupid stool pigeon !

Because of people like
you, we became corrupt.
If we were honest, we'd
have to arrest the entire
police force !

derp!

Then why legalize
marijuana in the
first place ?

POLICE

STOOL

The Prime
Minister wants us
to *fight* organized
crime, not *be*
organized crime !

Too late
for that !

POLICE

STOOL

Looks like its back to
being old- fashioned
crime fighters.

And my first arrest
will be *you*, you
stupid stooge !

derp!

POLICE

LAW 'N' ORDER PIGEONS IN SASKATCHEWAN

I should peck out your fucking eyeballs, you worthless stool pigeon!

It's because of shitbags like you that we became corrupt to the core.

Hey, I'm just a dumb criminal... you're supposed to be the ones who are honest!

derp!

If we were honest, we would have to arrest the entire police department, but that ain't gonna happen in your miserable lifetime!

derp!

How am I supposed to earn a living after legalization? There's not much need for inbred police informers.

Relax, you turd-gobbling retard... our evidence locker is stuffed with enough fentanyl and meth to keep this thing going until we *both* retire!

People are starting to talk:
I don't seem to work yet I
have cash to spare... They
suspect I am a police
stooge! Derp! derp! derp!

First, hide the fact that we
are related;
Second, find some hapless
idiot to blame all your
ratting on;
Third, grow a pair of balls
or I swear, I'll tell grandma
about your necrophilia!

DERP!

DERP!

But,
won't
that get
him
killed
or at
the very
least,
**black
balled?**

Despite your trafficking busts
that net you simple probation,
I'll teach you how to blame
some other poor shmoe!

There's this one asshole
who is a real asshole.
He deserves anything he
gets out of this. Name is
*****. Tell everyone
that he was only person
you told about your
operation, your beloved
customers. So, it *HAD*
to be him that ratted
everybody out. You
always get probation
'cause you can always
afford the best lawyers!

Since when does framing
some sap we consider the
lowest of the low get in
the way of good police
work? It is, part and
parcel, the very essence of
what passes for good
police work these days -
ever since the RAPTURE
came and went and left us.

DERP!

LAW 'N' ORDER PIGEONS IN SASKATCHEWAN

I wanted to be a criminal because then I could've been somebody.

You stupid inbred pedophile! Even as a criminal you're still just another nobody - but you're *our* nobody!

derp!

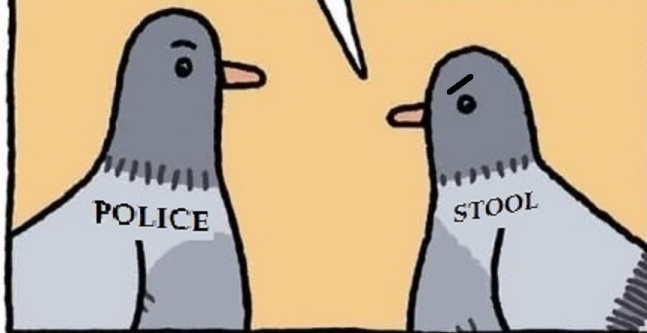

Believe me, it's better this way!

I care for you nephew, like I care about the law!

derp!

So why are you breaking the law, and making me help you?

In Canada, the so-called "*criminal underworld*" is really just a huge "Mr. Big" sting operation completely controlled and run by the police state apparatus!

derp!

LAW 'N' ORDER PIGEONS IN SASKATCHEWAN

My other stools are in a knot 'cause you haven't done a good job in deflecting your rapping on the victims I named for you.

Derp! Sorry about that!

POLICE

STOOL

Maybe it's because most people aren't as stupid as you think they are!

I'll tell you who is stupid and who isn't! Now hear this, you blithering idiot: You are to re-double your pathetic efforts to blame *the enemy* for your rapping!

Derp!

POLICE

STOOL

Why is it that *these* people are what you call "*the enemy*"?

They're *the enemy* because they won't do our dirty work for us - like you dumb sorry excuses for stool pigeons. Peck! Peck!

What are you going to do for money once marijuana is legal everywhere in Canada?

DERP !

You're lucky our Premier is crooked as a dog's hind leg and has agreed to fight for a one or two year delay in legalization legislation !

derp !

But even if he fails, I got your back little brother. We have plenty of fentanyl and meth that you will sell for us !

derrrrrrrrp !

LAW 'N' ORDER PIGEONS IN SASKATCHEWAN

Drop that turd and listen to what I have to say to you!

You're not going to steal it from me again?

Don't get cute with me or I'll tell everyone that your parents are also brother and sister!

But they're *your* mom and dad, too!

Oh yeah. Whatever. LISTEN... The feds are snooping around again so you'll have to lie low for a while. If you need weed, get it from those potatos at the casino.

derp!

And a little family advice... make damn sure you wrap it with a condom. Make it a habit. Because when your grand-daughter starts getting her period, you don't want to end up like mom & dad.

derp!

You should have told me that earlier, because my grand-daughter is also my daughter!

Operation REDHOUSE

is at long last a
FAIT ACCOMPLI.

DERP!
What's
that?

It was a fail-safe
plan designed by top
level NAZIs during
WWII to ensure the
survival and eventual
triumph of world
fascism - a literal
global Fourth Reich!

Derp!

I don't care about politics...
makes my head hurt even just
thinking about it. Besides, I
have my family to support -
that's all I care about.

That is why we chose
you to be our stool -
You have absolutely no
scruples and can justify
anything to yourself!

Derp! Mom

LAW 'N' ORDER PIGEONS IN SASKATCHEWAN

Good news, loser! I have important information for you - don't screw it up!

Derp! Can I gobble this turd first?

You belong in the world's largest gang - an infamous, notorious and dastardly bunch of Canadian MOFOs - the RCMP.

Derp! Thanks for the promotion!

It's no promotion, you stupid inbred! Do I have to spell it out for you?

Rapists,
Child
Molesters, &
Pedophiles!

DERP! Always ready to serve! When do I start?

LAW 'N' ORDER PIGEONS IN SASKATCHEWAN

Alright little brother, it is time we talked pigeon to pigeon!

Derp! Is this another lesson in your so-called 'natural justice'?

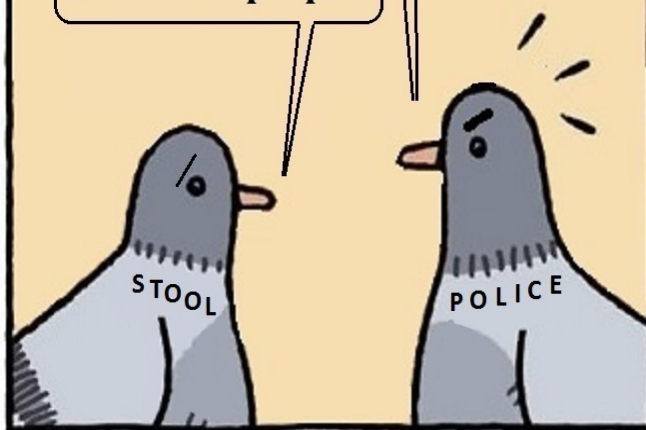

You stupid little pedophile - it has come to my attention that my sins are now being pinned on ME! Your job in life is to be blamed for all MY crap! If you don't get this exactly right, I'll kill you and make it look like a legitimate murder! Like I did with all the other stooges I've offed!

DERP!

Listen, you little shit-gobbling turd burglar, as my little brother, your job in life is to be the scapegoat of all my failings. It just is the way things are. The sooner you accept this, the better it will be for you!

DERP! Cops are the REAL perps!

LAW 'N' ORDER PIGEONS IN SASKATCHEWAN

It looks like its
your lucky day,
you pathetic loser !

Derp - ditty
derp derp !

The Premier has
saved your sorry
worthless ass by
granting our medical
marijuana front-
companies exclusive
license to sell legal
weed thru out the
province ... even on
Indian reservations !

derpitude !

So, not much has
changed. We control
marijuana in this
province - we control
who sells the shit and
we control stupid
pukes like you who
would willingly sell out
their own mothers !

I'm a gangsta !

Duping citizens in modern day
democracy is oh, so simple!

I know ... first gather all the
losers together, give 'em guns
'n' badges and make 'em police.

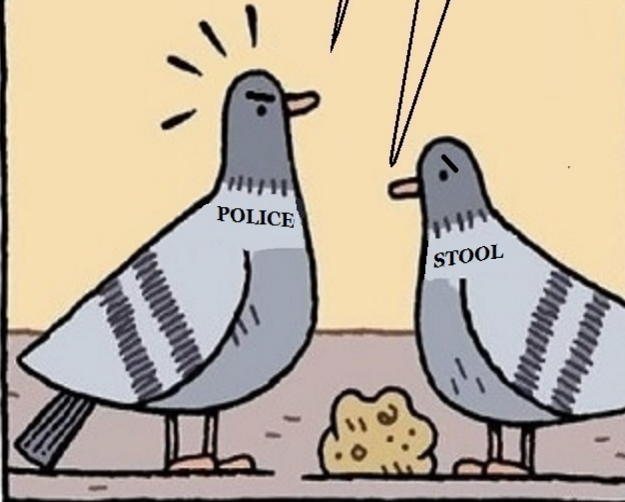

Wrong! The real losers are you stool
pigeons and, of course, the public.

Derp!

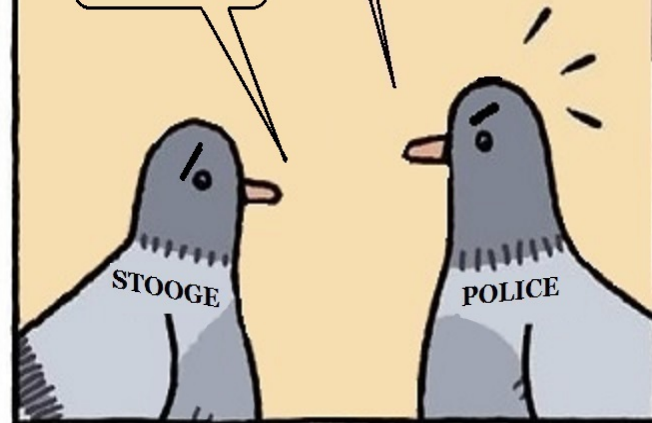

This is how it works ...
Should some sorry bastard
steal a loaf of bread to
feed his starving family,
we arrest the sonuvabitch
and throw his criminal ass
in jail!

But the big grocery store
monopolies have colluded for
the last 15 years to keep
bread prices artificially high!

So what?
Why should
banks and Big
Oil have all
the fun?

Crumbs
please!

Is it true that we killed all
the buffalo to starve the
Indians into submission?

DERP!

POLICE

STOOLIE

Yes, you little fool... We
annihilated an entire species
of animal (the plains bison)
so that we could subjugate an
entire race of people who
were living in the Stone Age!

That's monstrous!
No wonder aboriginal
people are upset! We
must appear to be
very cruel to them!

PO-PO

STOOL

We count ourselves as most
merciful. Our only other
option was to annihilate an
entire species of humans!
And as any fool can tell you
- you can't let Stone Age
people run around in
modern society - they *have* to be
educated, first!

Is that why
we replaced
the buffalo
with casinos?

I live my total and complete life as a SOCIALIST, yet in my mind I am a badass CAPITALIST. I am gratefully appreciative that a loser like me can live my life thus deluded! DERP! DERP!

I order you to vote Capitalist for the rest of your life. We already know how everyone votes, so don't get cute and try to fool us!

Look, you stupid little stooge... I'm sticking my neck out for you... don't think for your yourself. We will tell you what to think and what to do. Understand?

Our spineless Premier has caved in to our demands ! Only our agents will get licenses to sell when marijuana is legalized ! So , in our legal shops , we will sell only low - grade crap . People will have to come to you for the high - grade stuff. Legalization will have absolutely NO effect on the police marijuana monopoly in this sorry excuse for a province ! Hallelujah , brothers and sisters ! derp ! derp !
